

Email 1: Requesting an Assignment Extension

Subject: Extension Request: Course Name – Fundamentals in AI ML, Code – CSA2001,
Assignment Name- PROLOG, Name -Kartikeya Mishra, Registration Number- 25BAI11081

Dear Professor Mrs.MK Jayanti,

I hope you are having a productive week.

I am writing to you as a student in your Fundamentals in AI ML class. I am reaching out to respectfully request a brief extension on the upcoming Prolog Assignment, which is currently due on 29-03-26.

Unfortunately, due to an unexpected technical failure with my laptop, I am finding it difficult to complete the final submission to the best of my ability by the original deadline.

I am committed to completing this work and would greatly appreciate it if I could submit the assignment by 31-03-26. I have already completed a significant portion of the task and have attached my current progress to this email for your review.

Thank you for your time and for considering my request. I look forward to hearing from you.

Respectfully Kartikeya Mishra, B.Tech CSE (AI ML), 1st Year VIT Bhopal University Registration No: 25BAI110181

Email 2: Internship Inquiry

Subject: Summer Internship Inquiry: Core – Kartikeya Mishra

Dear Internship Coordinator,

My name is Kartikeya Mishra, and I am a first-year B.Tech student at VIT Bhopal University specializing in Core.

I am writing to express my strong interest in a summer internship opportunity at Google. Having followed your company's recent work in website development, IoT projects, and integration, I am eager to apply my skills in Python and IoT to contribute to your team while gaining valuable industry experience.

I have attached my resume and portfolio for your review. I would appreciate the opportunity to discuss how my background and technical interests align with your current requirements.

Thank you for your time and consideration. I look forward to hearing from you.

Best regards, Kartikeya Mishra 25BAI11081
